FRAMELESS GLASS BAUSTRADES & POOL SURROUNDS

Create an uninterrupted view, without compromising safety with our frameless glass balustrades. Or get a frameless pool enclosure fitted by our well-trained team. Fully customised with panels of up to 3 meters in length.

12mm clear toughened safety glass is used in a variety of frameless solutions.

Frameless Side Mount Balustrades

Balustrade with polished stainless steel adjustable side mount brackets, securing the 12mm glass to create a classic look with our new 38mm round adjustable polished stainless steel wall brackets. Enquire about handrail options.

Frameless Balustrade Slotted into Floor

Slot cut into floor, securing 12mm toughened safety glass with non shrink grout and neoprene. The clean look makes this installation very popular. Enquire about handrail options.

Frameless Balustrade with Floor Mounts (Round/Square/Oval)

Balustrade with 12mm toughened safety glass with bright polished edges. Frameless with glass supported by a 50mm round, square or oval solid stainless steel floor mount bracket with stainless steel cover plate. Balustrade 1000mm in height. Enquire about handrail options.

Frameless Balustrade in Steel Floor Channel

The channel has an unobtrusive design for those who are seeking a modern look. Often integrated with floor finishes to conceal channel to create an appearance that the glass protrudes out of the ground. Enquire about handrail options.

Stainless Steel and Glass Balustrade

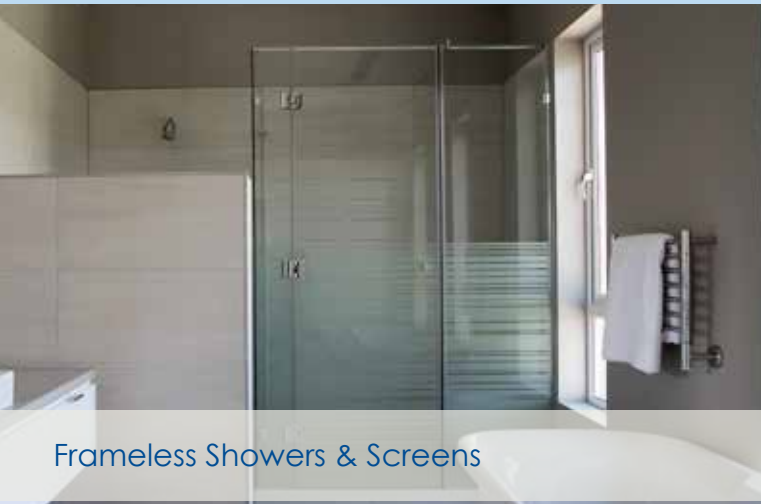

304 Grade stainless steel in polished components and handrail in a satin stainless steel, with 6mm or 8mm toughened safety glass. The typical stainless steel and glass balustrade with satin silver glass clamps, completes the classic balustrade. All above applications can be fitted with an option of round, square and rectangular tube. Additional extra options for 10 or 12mm glass.

POOL GRAB AND STAIR RAILS

38mm round tube in a 400 grit polish. Stainless steel 316 marine grade. Core drilled into the floor. Includes 2 cover-plates 90mm diameter at the base of the rail. Other sizes available.
